

# Loop 303 Improvement Project: Mountain View Boulevard to Peoria Avenue

TRAFFIC SWITCH TO SOUTHBOUND LANES JULY 12-15

**LOOP 303 CLOSED  
FROM 9 P.M. FRIDAY (JULY 12)  
TO 5 A.M. MONDAY (JULY 15)**

## PROJECT UPDATE

On July 15, crews will open the Loop 303 to traffic on the newly completed southbound lanes, allowing drivers to use both the south and northbound lanes for traffic. Crews will only need to return in September to add the rubberized asphalt on the northbound lanes between Peoria Avenue and Mountain View Boulevard in Surprise.

To facilitate the traffic switch, the Loop 303 will be closed between Grand and Peoria avenues from 9 p.m. Friday to 5 a.m. Monday, July 15. Cross streets will also need to be closed during this time to complete ramp tie-ins, paving and signal installation.

Cactus Road, between Auto Show Drive and Sarival Avenue, and the northbound ramps at Greenway Road will remain closed until Monday, July 22 to complete paving reconstruction.

## DETOUR ROUTE

During the closure, drivers can use Reems Road from Grand Avenue to Peoria Avenue.
